

Allan Mackintosh

Allan Mackintosh is the lead coach of Partners Team Development and his focus is very much on supporting workplace teams to become high performance teams. He started Partners in April 2020 after a career of 38 years in the pharmaceutical industry where he worked with Ciba-Geigy, GlaxoSmithKline, Grunenthal and latterly, Vifor. In addition to having sales executive, sales manager, training manager and management coach roles within the industry, he was an external consultant to pharmaceutical companies (and other industries including several Scottish Health Boards) between 2001 and 2009. Outside work, his passions centre around outdoor activities including hillwalking, cycling and rugby union where he is a former player, coach and past President of Marr Rugby and Glasgow Hawks. He is currently President of Men's Rugby at The University of Glasgow.
