

THE CURRENT NHS AGENDA AND HOW IT AFFECTS YOUR FUTURE

Understanding the challenges and opportunities to develop the pharmacy profession

If you would like to:-

- Understand the changing NHS environment and what it means for your professional development
- Hear more about the NHS direction of travel and its impact on the future for pharmacy
- Listen to speakers who understand the environment of the NHS and have been successful in promoting pharmacy
- Meet colleagues who have the same challenges as yourself and want to discuss and share learnings
- Talk with pharmacy professionals from other sectors of the service and grow closer in understanding each other's needs
- Learn how to create messages to develop your professional and personal agenda
- Take part in a highly interactive day which is facilitated by experienced pharmacists who speak the same language as yourself

**YOU OWE IT TO YOURSELF AND THE PROFESSION TO BOOK A PLACE AT
THE PHARMACY MANAGEMENT ACADEMY THIS AUTUMN.**
